Now Let's Play... Name That Tissue
No, it’s not Kleenex!

Images from: https://www.nlm.nih.gov/medlineplus/ency/imagepages/8682.htm,
Name That Tissue
There are Four Main Types of Tissue...

Connective Tissue
Epithelial Tissue
Muscle Tissue
Nervous Tissue
Name That Tissue... No, it’s not Kleenex!

1. Sketch a picture of this tissue in your science journal.

2. Write 2 observations about this tissue.

3. Guess what type of tissue is in the picture.
