

Rubric

Score	Description
3	Student contributed to the writing and performance of a skit about oysters or oyster safety. The skit presented accurate and relevant information, and the student performed the skit with good humor and enthusiasm.
2	Student contributed to the writing and performance of a skit about oysters, but the skit presented limited information or the student performed it haphazardly or incompletely.
1	Student contributed only minimally to the writing or performance of a skit about oysters. The skit may have deviated significantly from the topic, or the student may have avoided participating in the performance.
0	Students did not contribute to a skit, or the student was disruptive.
